

“Why does TFLI need donations? I thought you were funded by the State of Tennessee.”

- The Tennessee Foreign Language Institute receives an appropriation from the State of Tennessee which accounts for **approximately 25%** of our operating budget. The remainder must be generated through the fees we collect for service. We wish we were fully-funded, rather than partially-funded, so that we could provide our services free of charge, but that has yet to happen. We are cost-conscious and make every effort to make the most of every dollar generated, and to keep the fees affordable. Donations and grants are used to fund programs such as our scholarship program.
