

TLC / Frist Foundation COVID-19 Language Access Funds Available

THE FRIST FOUNDATION

The **Tennessee Language Center** (TLC), through the TFLI Fund, Inc., has been awarded \$15,000 from **The Frist Foundation** to provide assistance to Davidson County-based non-profit organizations in their language-access needs related to the current pandemic.

The scope of services that may be covered through this funding includes:

- Translation of documents related to COVID-19 services and information.
- Interpretation - either face-to-face, telephonic or video remote - for meetings, lectures, seminars pertaining to COVID-19.

How to request:

1. Consult with a TLC Project Manager about the estimated cost for your project or assignment. Call 615-741-7579, extension 412, or send an email to its.languagecenter@tennessee.edu.
2. Once you have been given an estimate of cost, use this dollar amount to complete the Request for Funding.

*Note: This grant is restricted to organizations based in Davidson County only.

TLC / Frist Foundation COVID-19 Language Access Request for Funding

Organization Name: _____

Organization Contact: _____

Organization Address: _____
